Verve College Technical Requirements

Temporary Online Phase Due to Covid-19

1. All students must have a working Laptop or Desktop with a web camera and microphone.
2. Chromebooks are not compatible with Proctor Free, which is going to be used for online remote Verve College Exams
3. All students must be able to access the Zoom app with their computer.

Internet Connection

You should always have a back-up plan to accommodate for Internet connection and technology issues. All student must have internet access.

Technology Skills

You should have these basic technology skills:

- Connect to the Internet (Not any public wi-fi)
- Navigating the Internet
- Manage Plug-ins
 - Plug-ins are small applications that allow your Internet browser to display and/or access the latest tools used in web pages.
- Add attachments to emails
- Download a file
- Upload a file
- Use the internet to research information
- Cut, copy, and paste text and images
- Save and rename files

Verve College also provides technical support. You can contact us at 630-705-9999 (Ask for Enrique or Ash).

Operating System	Windows 7, 8, 10 or MacOS 10.11+ (El Capitan)
Hardware Requirements	1 GB available disk space 2 GB RAM Intel Quad-core 1.8GHz CPU or AMD Quad-core 2.0GHz CPU
Web Browser	Chrome, Firefox, Safari, Edge
Internet Speed**	Upload: 1 Mbps ↑ Download: 2 Mbps ↓ Tethering and HotSpots are not supported.
Web Camera	We suggest students use the embedded web camera in their laptop or any standard web cam purchased and manufactured within the last 5 years. 3D Webcams are not supported at this time. At this time we do not officially support computers with more than (1) integrated camera. Please review our Dual-Camera Device support article and contact our support team for assistance. Any web camera that ONLY has drivers for Windows Vista or below will not work.

** An active broadband internet connection is assumed since the examinations are done online.
