- Final Evaluations

❖ N103 Clinical Guidelines:

- Clinical Evaluation 1 due 6th week.
- Collection of Clinical Lab & Skills Checklist due on the 6th week.
- All original Attendance records due at the 6th week.
- 6 Care plans per student due on the 6th week.
- Documents on Nursing Notes for all 6 weeks.
- Passing medications throughout the semester, again under your supervision.
- Drug Cards for drug Classification (Maternity and Pediatrics)
- Laboratory values

I have fully read, understand and agree the guidelines in addition to the submission of all original documents, listed above.
